744 P Street, Sacramento, CA 95814

April 24, 1975

ALL-COUNTY LETTER NO. 75-88

• TO: All County Welfare Departments

SUBJECT: Personal Property Regulations

## REFERENCE:

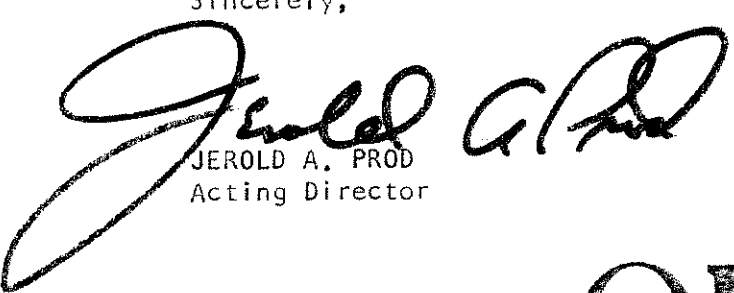

You will soon receive copies of the new personal property regulations which I have adopted and filed with the Secretary of State.

We have carefully reviewed the testimony of the August 19, 1974 Public Hearing and I wish to thank those county directors who made constructive suggestions. Where appropriate we have made changes in the original draft. I also appreciate the article in the August 1974 issue of the CWDA Confidential Bulletin on this subject.

The regulations I have recently adopted are based on statutes as amended by AB 134 and as modified by judicial decisions. Counties which have been effectively administering the former personal property provisions should view the new regulations as providing, among other things, a helpful means of determining value of personal property.

I urge you to ensure that your staff members fully understand and apply the new regulations in order to achieve uniformity and to reduce errors and the resulting fiscal sanctions.

Sincerely,

  
JEROLD A. PROD
